Parent Working Party

In order to continue to improve St Vincent's school, I would like to further encourage the work of our parent working party. The purpose of this group is to develop the work of the school through a problem solving, solutions led group approach. The meetings will provide an opportunity for open discussion in which parents can influence decisions and the policies of the school for the benefit of the whole school community. The working party will also increase parent's understanding of the school and how it works by strengthening communication links between the staff and parents.

The next meeting of our Parent Working Party is planned for **Friday 20th January at 9am** in the hall.

This meeting is open to all parents. It is a chance to strengthen the partnership between home and school.

At this meeting we will be reviewing our school's Mission Statement, discussing reading priorities and planning our next Math's workshop.

Parents are always invited to contribute ideas for discussion at future meetings. If there are any ideas you would like to add to the agenda at a future meeting then please do let me know. I hope many of you will be able to join us and I look forward to working with you.

Please note, if any parents have a particular concern about their own child, this should be raised with a member of staff individually. At this meeting we will not be discussing individual cases or incidents.

I hope you have a lovely weekend.

God Bless,

Mrs C. Scott
Headteacher

'The best we can be'
