Mrs Scott takes part in the London Winter Run

Thank you to those who have already sponsored me and left lovely messages of support. I am really looking forward to taking part in this race next Sunday and praying for a dry day.

About the race: On Sunday 4th February, I am taking part in the London Winter Run to raise money for Cancer Research, a 10K race in central London with more than 16,000 runners. This is the first time I have ever taken part in an event like this, in fact the first time I have run since secondary school!

As you know, a mother of two of our school children here at St Vincent's, Judith Boamah-Mensah passed away over the summer after a long and hard fought battle with Cancer. I have been inspired by her and her family to raise money for Cancer Research, and have been training for the race since September. If you would like to show your support for me and this worthy cause, please sponsor me using the link below. Many thanks in advance.
